116th ANNUAL REPORT

Fiscal Year
July 1, 2007 - June 30, 2008

**CITY
OF
RUTLAND
VERMONT**

This Annual Report is Dedicated to the Life of Deputy Chief Michael Walsh

This annual City Report is dedicated to the life of Deputy Chief Michael Walsh, who succumbed this past year after a courageous battle with cancer. Mike's uncompromising professionalism and unrivaled leadership were not just an inspiration to those who served with him, but were many times the glue that held the Rutland City Fire Department together.

Deputy Chief Michael Walsh began his firefighting career as a part-time employee of the department before his appointment to a full-time firefighting position in 1974. Over the course of the following 34 years, he not only rose through the Officer ranks but broadened his skills through dedication to his profession as he became certified as Level 1 and Level 2 Firefighter, Paramedic, EMT and most recently, in 2007, as an FAA Airport Firefighter. It was not his level of training that separated Mike from his peers however, it was his God-given leadership ability that garnered the admiration and respect from anyone who came to know him.

Mike's guiding hand will be sorely missed by not only those who served with him, but by those whose lives he touched through his spirit, courage and integrity that he brought to the firehouse and to us all.

Mayor's Message

Christopher C. Louras, Mayor

To the Citizens of the City of Rutland

When I presented the 2007-2008 fiscal year budget to the Rutland City taxpayer, I characterized it as an honest and responsible budget. There was the explicit admission that, in order to provide the same high level of services that residents deserve and have come to expect, we must be willing to pay for what those same services actually cost. My administration made significant staff reductions and enjoyed the corresponding savings but the taxpayer saw no difference in the services that were delivered. And throughout the year, we committed ourselves to diligently look for further ways to control spending and operate more efficiently.

All Rutland City public servants have come to realize that the tax burden is nearing the breaking point, and they are fully engaged in finding ways to save money and provide relief to the taxpayer. Not only are the employees "doing more with less", they have stepped to the plate to provide direct savings to the taxpayer. Public Works department members, recreation department and non-union employees are now paying a portion of their health care costs and the taxpayer will no longer see "two men in a truck" during salting/sanding operations. The City has instituted a return-to-work initiative with the goal of reducing the City's skyrocketing workers' compensation costs. The dismal nationwide economic climate has not spared Rutland's residents and the employees "get it" and have proved willing to do their part.

The great revelation of this past fiscal year has been the acknowledgment that the City's water and sewer infrastructure has been grossly neglected and is in need of a fully-funded comprehensive replacement plan. The crumbling pipes that run beneath our streets affect not only the public health and safety, but directly impact the City's ability to develop our commercial properties and grow the grand list, which is the only way to reduce the burden on the residential taxpayer. Future administrations and future Boards must accept the reality that if the City puts off the needed improvements to its infrastructure, both the direct and indirect costs will rise exponentially.

This fact was driven home during the torrential rains and resultant flooding that took place during June of 2008. The City taxpayer absorbed significant expense as the level of public damage did not meet FEMA thresholds, but the real possibility exists that much of these costs could have been averted through the implementation of a preventative maintenance, repair and reconstruction plan.

My first full year in office has been one that has seen significant challenges and substantial progress in the management of City Hall. I would like to thank the taxpayers for the confidence that they have shown in my administration and look forward to building on the positive strides that have been made over the last 18 months.

Report of the President of the Board of Aldermen

David Allaire, President

To the Citizens of the City of Rutland:

It is with pleasure I submit the report of the Board of Aldermen.

In March, the Board said good-bye to one of its longest serving members. Alderman Billy Gillam decided to retire after 16 years of service to the City of Rutland. I would like to take this opportunity to thank him for his outstanding service and leadership. He will be missed.

Also in March, the Board welcomed its newest member. William Nottle was elected to the Board and has been fully involved since his arrival.

Again this year, the focus of the Board has been fiscal matters, as well as looking to further economic development and grow the Grand List. The Board reviewed and passed a fiscally responsible budget, which meets the needs of the taxpayers, and keeps the rate increase at a minimal level on the municipal side.

Over the past year, the Board has discussed water and sewer infrastructure improvements and the possible creation of a fiber optics program upgrade for the city, both of which have an eye on economic development, job creation, and increasing the tax base. Those discussions, I'm sure, will continue.

On behalf of the Board of Aldermen, thank you to the Administration, Department Heads and everyone working at City Hall, and thank you to the citizens of the City of Rutland.

Rutland City Board of Aldermen

Report of the Assessor's Office

Barry J.Keefe, City Assessor

To the Citizens of the City of Rutland:

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 2008.

Two years after the City reappraisal, the Grand List is \$1,003,184,771 which represents a \$2,654,081 increase over the previous year. We currently have 5,957 parcels of taxable real estate totaling \$965,072,234. The balance of the Grand List is Business Personal Property totaling \$38,112,537 which was down \$4,763,519 from 2007.

With the implementation of the State property tax rebate program, the City received directly \$2,075,585 from the tax department to be applied to 2,079 tax bills. About 43% of the residential homes in the City saw various degrees of tax relief due to income sensitivity averaging \$998.26.

The common level of appraisal (CLA) which is the ratio of listed values to sales is a healthy 91.56%. This ratio is important to ensure maximum State funding of Rutland Public Schools.

The City is now served by New England Municipal Resource Center (NEMRC) which allows for direct electronic communication of taxpayer information with the State and this has been a huge help in serving the public.

Thanks to my secretary, Marlies Washburn for her support and service to the public.

Report of the Building and Zoning Department

James P. Simonds,
Building Inspector and Zoning Administrator

Annual Report – July 1, 2007 – June 30, 2008

Residential Renovations	1,808,837.00
 Total Building Permit Fees Collected:	 \$ 13,976.00
Other Fees Collected:	
26 Sign Permits	\$ 850.00
22 Development Review Board Hearings	1,425.00

Report of the City Clerk's Office

Susan A. Clark, City Clerk

To the Citizens of the City of Rutland:

Fiscal Year 2007-2008 was a time of change in the Clerk's office with the departure of City Clerk Rod Pulsifer, who had been City Clerk since 2005, leaving to return to police duty for the Town of Brandon Police Department. During his tenure, he implemented computerizing of the land records, registering dogs through the mail, and helped streamline the clerk's office more efficiently. His presence is certainly missed by all at City Hall. When Rod left, I was appointed City Clerk from my position as Deputy City Clerk. In writing of this report, Michele Santos, who was hired as my replacement as Deputy City Clerk in December 2007, departed our office in July 2008. I have stepped down as City Clerk to regain my position of Deputy City Clerk because of family matters. I am very fortunate that I will still be working among the all of the great employees of the City of Rutland, especially the staff in the Clerk's Office: Sara Magro (Purchasing Agent and Assistant Clerk) and Patty Carbine (1st Assistant Clerk). I would especially like to thank Meg Grace for their reliability in helping during busy and unplanned times and Shirley Davidson for her help during elections. Lastly, I would like to thank Mayor Christopher Louras and the Rutland City Board of Aldermen for their confidence in me to perform the duties of City Clerk and allowing me to continue to serve as Deputy City Clerk.

The following is a breakdown of revenue generated by the City Clerk's office in Fiscal Year 2007-2008:

Vital Records (copies & vault time): \$63,875.50

All certified copies of Birth certificates, Deaths certificates, Marriage and Civil Union licenses are available for \$10.00 per copy (the fee was raised from \$9.50 on July 1, 2008) as set by the State of Vermont. Uncertified copies are available for \$2.00/copy. Vault time is charged at \$2.00/hour.

Vital records recorded in Fiscal Year 2007-2008:

Births.....	483	Resident: 191	Non-Resident: 292
Deaths.....	469	Resident: 254	Non-Resident: 215
Marriages.....	133	Resident: 111	Non-Resident: 21
Civil Unions.....	6	Resident: 4	Non-Resident: 2

Marriage Licenses: \$1,059.00

159 Marriage Licenses were issued. 133 marriages were performed and recorded. The fee for a marriage license was \$23.00. On July 1, 2008, the State of Vermont increased the fee to \$45.00. The city's revenue portion for each licensed issued is \$10.00.

Civil Union Licenses: \$60.00

7 Civil Union Licenses were issued. 6 Civil Unions were performed and recorded. The fee for a civil union license was \$23.00. On July 1st, the State of Vermont increased the fee to \$45.00. The city's revenue portion for each licensed issued is \$10.00.

Land Records (copies & vault time): \$15,308.00

2,685 visitors used our vault. All land records are available for \$1.00/page for each copy. Certified land records are \$8.00/page and vault time is charged at \$2.00/hour.

Recording Fees: \$98,451.00

14,548 pages of land records were received and recorded. The cost of recording land records is \$8.00/page, as set by the State of Vermont.

DMV Registration Renewals: \$291.00

97 DMV renewal registrations were processed. We will process registration renewals for the amount indicated on your registration renewal. Check or money orders need to be made payable to DMV and there is a \$3.00 cash fee to process your renewal.

Hunting & Fishing Licenses: \$33.00

22 Hunting & Fishing licenses were issued at various fees. The city's revenue portion for each license issued is \$1.50.

Business Licenses: \$34,477.00

The following business licenses were issued. Business Licenses are valid from May 1st until April 30th of each year:

Restaurant & Victual Establishments	100
Bowling Alley	1
Theatres	2
Hotels, Motels & Inns	8
Circuses, Carnivals, Shows & Fairs	11
1 st Class Liquor Cabaret License	17
1 st Class Liquor Club License	7
1 st Class Liquor Restaurant License	23
2 nd Class Liquor License	29
Outside Consumption Liquor Permits	15
Outside Consumption Food Permit	1
Entertainment Club Permits	7
Tobacco Licenses (with Liquor License)	35
Tobacco Licenses	6
Peddler/Solicitor Licenses	3
Pool Tables	23
Coin Machines	66

Dog Licenses & Dog Violations: \$14,920.00

1,126 dog licenses were registered. Of that, 1021 were spayed/neutered and 105 were not spayed/neutered. The time frame for registering dogs begins in January of each year and dogs must be registered by April 1st of each year and a current rabies certificate is required. After April 1st, late charges apply. The city’s revenue portion is \$10.00 per license.

License fees are as follows:

- Spayed/neutered fee before April 1st \$13.00; After April 1st \$17.00
- Un-spayed/un-neutered fee before April 1st: \$17.00; After April 1st \$22.00

In late December, we mail a postcard to dog owners in our system indicating the owner’s name, address and the dog’s information as a reminder the dog is due to be licensed come January 1st. For those of you who are unable to come down to the City Clerk’s Office to register you dog(s), mail us the postcard we send you along with a current rabies certificate and proper payment.

Once we receive and process this information, we mail your dog license and tag. We hope this will make it easier for those who are unable to come in to register their dog(s).

Elections:

On March 4, 2008 was the Annual City Town Election and Presidential Primary. The results are as follows:

Total Rutland City Voters on the Checklist: 10,317

Total Ballots Cast for the Local Election: 5,025 (49% voter turnout)

Total Ballots Cast for the Presidential Primary: 4,730 (46% voter turnout)

Total Absentee Ballots Mailed: 695

Total Absentee Ballots Returned and counted: 630 (90% return rate)

Presidential Primary Nomination Democratic Party: Barack Obama

Presidential Primary Nomination Republican Party: John McCain

Presidential Primary Nomination Liberty Union Party: Brian Moore

The following officials were elected to office:

Elect 5 Aldermen (2 year term)

David Allaire • Sharon Davis • Henry A. Heck • William Notte • Roy W. Thomas

Elect 4 School Commissioners (3 year term)

Peter J. Fagan • Roberta Dress • Peter H. Forshay • Wayne "Skip" Cooke

Ward 1 Election Officers (2 year term):

Ward Clerk: Janet O'Brien 1st Inspector: Shirley Davidson

2nd Inspector: Mary Lamothe 3rd Inspector: Nancy B. Caggige

Ward 2 Election Officers (2 year term):

Ward Clerk: Richard J. Blongy 1st Inspector: Beth Kiernan

2nd Inspector: Joyce B. Blongy 3rd Inspector: Donald Bosteri

Ward 3 Election Officers (2 year term):

(there were no candidates on the March ballot)

Ward Clerk: Hurley Cavacas, Jr. (appointed 8/18/2008)

1st Inspector: 2nd Inspector

3rd Inspector: Tim Abrams (appointed 8/18/2008)

Ward 4 Election Officers (2 year term):

Ward Clerk: Mary Mellow (appointed 5/19/2008)

1st Inspector: Jane Kendall 2nd Inspector: Patricia J. Kohl

3rd Inspector: Elaine Fitzsimmons

The following articles were passed:

Article 2; Charter Change 34.2; Adopt school budgets without voter approval

Article 3; Charter Change 17; Purchase order requisitions over \$3,000.00

Article 4; Sound of the “10 of 9” whistle at 8:50 AM

The following money appropriations were passed:

Article 5;

Rutland Area Visiting Nurses \$35,000.00; Hospice \$8,000.00 \$43,000.00

Article 6;

Rutland Mental Health \$30,000.00

Article 7;

Regional Ambulance Service \$73,491.00

Article 8;

VT Adult Learning/Rutland County Adult Basic Education \$ 9,000.00

Article 9;

Association for Retarded Citizens dba ARC-Rutland Area \$35,900.00

Article 11;

Rutland County Women’s Network & Shelter \$10,000.00

Article 12;

Boys & Girls Club \$27,500.00

Article 13;

Marble Valley Regional Transit Service (The Bus) \$46,140.00

Total Appropriations over and above the charter limit \$275,031.00

The upcoming Fiscal Year 2008-2009 will be very busy in the Clerk’s office because of three elections: Primary Election on Tuesday, September 9, 2008, General Election on Tuesday, November 4, 2008 and Town Election on Tuesday, March 3, 2009.

Respectfully Submitted,
Susan A. Clark, Rutland City Clerk

Report of the Department of Public Works

Paul G. Clifford, Commissioner

To the Honorable Board of Aldermen and the Citizens of the City of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for Fiscal Year 2007-2008.

The Department Public Works provides a variety of basic services to the Citizens of Rutland. This Department is responsible for the day to day maintenance and operation of city streets, sanitary sewer collection mains (including Alpine Pipeline), storm sewer system, water distribution mains, protection of the city watershed, the operation and maintenance of the Wastewater Treatment Plant and its associated pumping stations, the reservoir, water filtration and water storage facilities.

The Department also works closely with the City's Building and Zoning, Emergency Management, Attorneys, Police, Fire and Recreation Departments, as required in both emergency and routine situations. The Department also provides technical and logistical support to the Rutland Redevelopment Authority and the Downtown Partnership.

The Public Works Department responds to citizen concerns and complaints on a daily basis and emergencies on a 24-hour-on-call basis. Citizens are reminded to contact the Police Department if an emergency arises when the Department's office is closed.

I would like to thank and commend all the personnel in the Public Works Department for their dedication and professional manner. I would also like to thank Mayor Christopher Louras, the Board of Aldermen and the other department heads for their cooperative and courteous attitudes toward the Department.

The Department of Public Works will continue to serve the Citizens of the City of Rutland to the best of its ability.

Forestry Division

David Schneider, Manager Forestry Division

Major Accomplishments:

- Completed clean-up of April's N'oricane wind storm. Public tree losses set at 99 trees, private tree losses estimated in thousands.
- Replanted 99 trees through grant from the Agency of Natural Resources.
- Planted 12 Sugar maples donated by CVPS at the Godnick Adult Center.
- Planted 41 trees in Fall tree planting.
- Planted 26 trees from shadetree nursery in Spring tree planting.
- Completed clean-up of August 25th windstorm/thunderstorm. Public tree losses set at 36 trees, private losses set at 12 trees, all removed by City DPW.
- Restored and replanted shadetree nursery.
- Began administration of Spruce salvage (January 12, 2008 windstorm) sale in compartment 2 of watershed in Mendon.
- Inspected all major truck roads in watershed properties in Mendon and compiled list of maintenance activities for summer of 2008 work season.
- Reblazed and repainted boundary lines surrounding Pine Hill Park. Assisted Department of Parks and Recreation with negotiations with Rutland Country Club timber sale and CVPS power line clearance salvage operations.
- Assisted Streets, Water Distribution and Sewer Treatment Plant divisions with various right-of-way vegetation managements projects.
- Maintained International Society of Arboriculture Arborist's Certification.
- Continued membership on Vermont Department of Forests and Parks Urban and Community Forestry Council.

Street Division

Daniel Maniery, Street Division Manager

The Street Division of the Public Works Department completed the following along with other related tasks:

- Paved Crescent Street from Grove Street to Baxter Street. Approximately 1,900 feet of road, and driveway ramp adjustments @ \$53,600.00

- Paved Forest Street from South Street to Forest Way. Approximately 750 feet of road, and driveway apron adjustments @ \$30,154.12
- Paved Bellevue Avenue from Woodstock Avenue to Temple Street. Approximately 1100 feet of road @ \$24,300.00
- Crescent Street and Forest Street were reclaimed by City Crews with our pavement re-claim machine.
- New sidewalk was installed at the following locations;
 - Crescent Street – 1,900 feet; new curb 1,100 feet
 - Bellevue Avenue - new curb and sidewalk combination – 1,000 feet.
- All sidewalk work on the above streets was paid for through the sidewalk budget.
- Winter maintenance – \$225,000.00 was used for de-icing materials. Approximately 3,600 tons.
- Winter Sand – \$5,000.00 approximately 780 tons.
- The Street Division also worked for two weeks at Georgetti Rink in conjunction with the Recreation Department to help offset costs with that project.

Water Distribution Division

David Sears, Manager

The Water Distribution Division maintains all water mains for Rutland City and maintains and services mains in Rutland Town. This division also maintains, services, repairs and flushes approximately 650 fire hydrants throughout the City and Town.

There were fewer main breaks this year. We repaired 8 water main leaks at a cost of \$17,592.45.

There were several new water connections installed this year. These consist of service taps for domestic water and fire protection lines. A total of \$23,930.23 was billed to property owners for these projects.

Water Distribution installed 6 hydrants either new or replacing old hydrants. Also over 40 curb boxes were replaced.

Water Meter Division

Mary Ann Dulli, Business Manager

The Meter Division reads, records and maintains meters for water and sewer users and reads over 6,000 meters each quarter. The meters through the City have been upgraded with 271 installations this year. Since 2005, all upgrades include a radio unit that provides us with “drive-by” capabilities and will be a good investment for the City in reduction of force. The meter upgrade project had enabled the division to down-size from 3 to 2 meter readers through technical advancements.

The division has worked to convert the utility billing program at the end of this fiscal year. This was a great effort on their part and will benefit the City of Rutland in cost savings and better access to customer information.

Water Treatment Division

Mike Garofano, Water Treatment Manager

Scott Taggart, Asst. Water Treatment Manager

The City of Rutland’s Slow Sand Water Filtration Facility treated a total of 812,332,100 gallons of water during the last fiscal year. The chemicals used during this process were 3,600 gallons of fluoride, 3,000 gallons of zinc-orthophosphate, and 18,300 gallons of sodium hypochlorite.

The city spent approximately \$54,000 on regulatory operating fees, reporting and sampling cost associated with State and Federal guidelines.

Major projects completed this year were:

- Filter roofing replacement
- Installation of 12" of filter sand in filter #2
- Replacement of two bulk storage chemical tanks

Wastewater Treatment Division

Robert E. Protivansky, Chief Operator

David O'Neill, Laboratory Director

In the past year the Wastewater Treatment Facility has processed 1,954,710,000 gallons of domestic and storm water.

As part of the treatment process, the following chemicals were used:

Sodium Aluminate (Phosphorous Removal)	49,588 gallons
Sodium Hypochlorite (Bacterial Disinfection)	45,483 gallons
Sodium Bi-sulfite (De-chlorination)	29,712 gallons
Electrical usage	1,534,000 KWH
Bio-solids received from other municipalities	1,474,500 gallons
Septage received	220,600 gallons

Materials Removed from the waste stream:

Grit, sand and gravel	83.6 cubic yards
Raw Sludge	6,852,470 gallons
Processed sludge (sent to a landfill)	4,219.33 wet tons
Methane gas produced (used in the boilers)	9,405,599 cubic feet

Partial list of parameters monitored for compliance:

Biochemical Oxygen Demand	3 mg/l
Total Suspended Solids	6 mg/l
Total Phosphorous	0.2 mg/l

A partial list of accomplishments for the year include:

- Repaired leaking section of boiler
- Replaced gas piping and swivel joints on the four primary digesters
- Cleaned all three primary digesters
- Replaced the gas cannon in digester #2
- Installed generator transfer switches at four pump stations to enable back-up power

Began program in conjunction the Vermont League of Cities and Towns to identify deficiencies in our safety program and the facilities. The end goal being to ensure that we are OSHA compliant, make a safer environment for our employees and reduce insurance costs to VLCT

Wastewater Collection Division

Paul Julius, Manager

- 15 Storm Damage Repairs to Basins at a cost of \$10,500
- 11 Storm Damage Repairs to Manholes at a cost of \$6,600
- 21 New Basins Installed at a cost of \$49,000
- 10 New Manholes Installed at a cost of \$30,000
- 1 Main Sewer Replaced at Crescent Street at a cost of \$88,812.91
- 832 feet of Main Sewer Repairs at a cost of \$45,000.00
- 231 feet of Storm Sewer Repairs at a cost of \$19,500.00

Report of the Department of Public Works, Engineering Division

Alan J. Shelvey, P.E., L.S., City Engineer

Evan D. Pilachowski, Associate City Engineer

Peter T. Kelley, Engineering Technician

The Engineering Division provides engineering and technical services for each division of this Department and for all other Departments within City government. In addition to this routine work, several special projects were addressed in 2007-08.

The Division continues working with several entities, including the Rutland Natural Resources Conservation District, Vermont Agency of Natural Resources, The Upper Otter Creek Watershed Council and the Vermont Agency of Transportation (VTrans) in the control of stormwater runoff in order to improve water quality in the City's streams and brooks. These stormwater activities have been accomplished using a combination of State grants and private donations.

The Division also continues to take a proactive role in the development of State regulations that will affect the City's infrastructure by testifying at legislative hearings, serving on the State's Stormwater Advisory Group (SWAG) and working with our state representatives and the Vermont League of Cities and Towns (VLCT).

Rutland's aging infrastructure continues to present challenges. Within our water and sewer systems there are miles of piping well over 100 years old still in daily use. The failure of the 106 year old sewer on Crescent Street between Grove Street and Baxter Street necessitated extensive unplanned for and unbudgeted repairs and a diversion of resources from other areas of need. There are other pipes quietly failing under Rutland's streets that will, if not addressed, result in crisis. To avoid the chaos and inefficiencies of responding to emergency situations, it is imperative that a serious commitment of resources be made to address this issue.

Other City and regional projects for which the Engineering Division has provided assistance and support include: Routes 4 and 7 Upgrade, Landfill Post Closure, Replacement of the roof at the water treatment facility, FEMA Flood Mapping Update, Center Street Alley renovation, East Creek Bike and Pedestrian Path, Main Street Park Improvements, CSO monitoring, and a drinking water quality analysis associated with disinfection by-products and numerous private sector projects within the City.

Report of the Rutland City Fire Department

Robert Schlachter, Jr., Chief Engineer

It is again my privilege to report on the status of your Rutland Fire Department during the period July 1, 2007-June 30, 2008.

Your Fire Department at Work

The fire department responded to a total of 2163 calls for service. They are classified as follows:

Structure Fires	90	Other Types of Fire	17
Hazardous Materials	112	Vehicle Fires	6
Rescue/EMS Assist	90	Hazardous Condition	112
Brush/Grass	12	False Alarms	246
Service Request	1,447	Rubbish/Dumpsters	24
Mutual Aid Given	7		

During this reporting period we instituted a new alarm callback procedure that reduced the number of personnel called back on a second alarm. We now have a (5) alarm call back structure instead of the old (4) alarm system. This allows us to better control callback costs.

There were (71) second alarms transmitted for fires and other emergencies requiring additional personnel from the previous day shift. Of the second alarm calls (30) were in Mendon where we provide contract fire/rescue services for the entire town. Contract properties in Rutland Town resulted in (6) second alarms. There were (32) second alarms in Rutland City. We provided mutual aid (7) times. Second alarms are typically called to provide City coverage while units are responding to contract or mutual aid calls and occasionally when on duty resources are committed in the city. There were (5) third alarms bringing back additional full time personnel for major incidents. There were (7) fourth alarms bringing back all full time personnel. There were (2) general alarms requiring all full time and part-time members. Mutual Aid was received several times including the storm event on June 14, 2008. The General Alarms were at: 98 River Street and a large Forest Fire in Mendon.

The largest single event handled by the department was the June 14 & 15, 2008 storm event. Excessive rainfall over a short period of time resulted in numerous water related emergencies throughout the city with the Downtown area hit the hardest. During this event the department responded 55 requests for service. I would like to commend the members of the department for their outstanding work during this event as well as the other City Departments, the utility companies and

the public. We were not able to handle all requests for service and activated the Rutland County Fire Mutual Aid Pact which brought personnel and equipment from Rutland Town, Chittenden, Pittsford, Proctor, West Rutland, Ira, Clarendon, Wallingford and Shrewsbury to assist the City with the managing the incident. This was another example of the Rutland community working together to overcome the effects of a major natural disaster in our community.

Personnel

As of June 30, 2008 the department had 27 full time personnel and 19 part time personnel.

In December 2007 Deputy Chief Michael Walsh retired from service after a distinguished career of over 33 years with the Rutland Fire Department. Unfortunately, only days later Chief Walsh passed away after a long and courageous battle with cancer. Mike will always be remembered as a leader, a mentor and friend. He will also be remembered for his many contributions to the Rutland Fire Department and the Fire and EMS services in the State of Vermont. Chief Walsh's command presence, leadership and institutional knowledge are be missed by the department. Mike was honored by resolution of the Vermont Legislature and by Governor Douglas who proclaimed January 3, 2008 as "Michael Walsh Day". On behalf of the entire department I would like to thank everyone who assisted in remembering Mike. It was a very difficult time for his family and for his fire department family. The support and assistance provided by this community was exemplary and deeply appreciated.

Substitute firefighter David Werbinski was promoted to full-time firefighter on February 8, 2008 filling the position left vacant by the retirement of Chief Walsh.

Firefighter Thomas DiPalma retired in May 2008 after 23 years of service with the Rutland fire department. We wish Tom well in his retirement and thank him for his service to the City.

Equipment

The department apparatus fleet consists of (4 engines) including one Quint (Ladder Equipped Engine and an Aerial Platform, two service utility vehicles, a fire alarm maintenance bucket truck, a Hazardous Materials/Decontamination Trailer and a Technical Rescue Trailer.

Services Provided

The department provides fire suppression, fire prevention/education, hazardous materials response at the operations level and decontamination. In addition we are trained and equipped to respond to technical rescue incidents involving extrication from vehicles and machinery, rescue from confined spaces, trench collapse and can perform rope rescue operations. The department provides contract fire protection to the Town of Mendon, several large businesses in Rutland Town and contract Crash/Fire/Rescue services to the Rutland Southern Vermont Regional Airport. In addition to emergency duties members maintain the municipal fire alarm system, maintain apparatus and equipment and the fire station and grounds while on duty. The department also assists with community projects such as hanging banners downtown, and other community promotional efforts.

Training & Education

In addition to responding to calls for service from the public, employees spend hundreds of hours training, presenting public education programs, and conducting pre-incident planning for emergency responses. During this period, members of the department attended regular training to maintain their skills and state certification. They also attended specialized training in Hazardous Materials, Aircraft Crash Fire and Rescue, Technical Rescue Operations, Safety and a variety of other specialties.

Grants

The department has applied for and received over \$650,000 in state and federal grants over the past few years. These grants have allowed us to upgrade our communications system, purchase protective equipment for our members, replace our outdated emergency generator, and develop the ability to respond to special hazard calls such as hazardous materials, and technical rescue. The department continues to aggressively apply for grant funds, however due to changes in priorities at the national level the pool of such funds is shrinking. We have one grant application pending at the time this report was prepared for the 2008 Federal Fire Act Grant. We will be applying for a Federal Fire Prevention Grant in September 2008 and a 2009 Federal Fire Act Grant.

Chief Engineer & Emergency Management Directors Report

As your Chief Engineer, I work to make sure the Rutland Fire Department is trained, and equipped to handle the emergency situations that may affect Rutland.

I attend many meetings representing the City and the Fire Department in the City of Rutland, in surrounding towns, at the Vermont Fire Academy in Pittsford, and in Montpelier and Waterbury. These meetings are important as to make sure Rutland is represented at the local, regional and state level for planning and to help obtain grants. I have also attended meetings of Rutland United Neighborhoods and other community groups as requested. In addition to my duties as Chief Engineer, I serve as City Emergency Management Director and represent the Fire Service on the Governors Homeland Security Advisory Council and the Vermont Enhanced 911 Board.

Emergency Management

Updated Rutland City Rapid Response Plan continued updates to Rutland City Emergency Plan. Held post storm meeting(s) to determine what worked well and what needs improvement in our emergency plan. Attend monthly Local Emergency Planning Committee meetings LEPC # 2 covers all of Rutland County and assists with local, regional and state level planning for all hazard response. Monitor possible sources of grant funding for City emergency preparedness projects. We will now apply the lessons learned in the June 2008 storm as we continue to make sure Rutland is prepared for the next natural or man made emergency.

Open Burning

We receive numerous complaints about people burning anything from brush to trash in the city. The following information is provided regarding open burning within the City of Rutland. Due to the fact that the City is so densely populated open burning is **not** permitted without a permit from the Chief Engineer. Such permits are **only** issued for the occasional bonfire at a school or college or for municipal emergency situations. Cooking fires are permitted but only clean untreated wood, charcoal or LP gas may be used for fuel. If an outside fire is creating a nuisance it may be extinguished by the department.

Fire Prevention

In closing as I write this report it appears that the cost of home heating fuels will again be significantly higher this winter. The Rutland Fire Department would like to offer some suggestions to the citizens of Rutland in an effort to prevent the loss of life and property due to fire.

- Install and maintain smoke alarms on every level of your home/apartment and in each sleeping room. Make sure they are working. If your smoke alarms are powered by a battery, change the battery every six months and test the smoke alarm regularly.
- Install and maintain Carbon Monoxide alarms in your home. Carbon monoxide is a deadly, colorless, odorless, gas that is produced by burning fuel. Carbon Monoxide alarms can alert you to the presence of this gas before it becomes a problem.
- Have your heating system inspected and serviced by a qualified technician before winter weather hits.
- If you burn wood or coal have your chimney cleaned and inspected prior to the heating season, then inspect and clean your chimney regularly during the heating season.
- Remove ashes in a covered metal container and place the container **outside**, well away from the house and other combustible materials. Do not vacuum ashes from fireplaces or stoves they may still be live and cause a fire.
- If you have gas fireplace(s) or heater(s) have them inspected and serviced by qualified gas technicians and make sure the venting system is in good condition and supply air intakes are clear of obstruction to reduce the possibility of Carbon Monoxide poisoning.
- The use of portable un-vented kerosene heaters is prohibited in rental units and is discouraged in private homes.
- LP gas heating units should be installed by a qualified technician.
- LP gas cylinders **must not** be brought into your home. Many types of LP gas heaters are available for purchase. Many of these are intended for **utility and use outdoors** in a workshop, shed or garage where there is plenty of combustion air. LP gas cylinders in living units are a hazard to the occupants and firefighters who may respond to an emergency and not know of their presence.
- Prior to installing any new heating equipment read and follow the manufacturers instructions. Professional installation by qualified people will reduce the chances of a problem.
- If you have any type of fire no matter how small **call the fire department**. Many structure fires start as chimney fires. If your smoke alarm or Carbon Monoxide alarm sounds call the fire department. Use a fire extinguisher only if you can do so safely and have an exit at your back and have someone call the fire department.

- Keep fuels such as LP Gas, Kerosene and Gasoline outside your home. Do not store them in the basement or in the house.
- If you use space heaters make sure they are in good condition and keep them away from things that may burn such as paper, plastic, clothing, furniture, and bedding.
- Electric heaters should have a label indicating listing by a recognized testing laboratory such as UL Underwriters Laboratories. Electric space heaters should be used in full compliance with the manufacturer's instructions. The use of extension cords for electric space heaters should be avoided.
- Space heaters of any type should not be left un-attended.
- Keep your exits clear of ice and snow and do not obstruct exits with furniture, storage items or appliances.
- Have an emergency escape plan make sure everyone in your home knows the plan and practices it. Have a designated meeting place away from the building.

For more information about fire safety contact the Rutland Fire Department at 773-1812.

Members of the public are encouraged to visit the department during normal business hours. Tours can be arranged for school and community groups.

On behalf of the Fire Department, I would like to thank the Mayor, Board of Aldermen, City Hall personnel, the School Department, DPW, Recreation Department and all city officials and employees who assisted the Fire Department in any way during the past year. We again offer our thanks to the citizens of our city for their continued support of their Fire Department. Also a very special thank you to our Mutual Aid partners for their assistance, many times this past year with emergencies and special projects.

If you have any questions about fire safety, emergency preparedness, or the Rutland Fire Department please call us at (802) 773-1812.

Thank you, again to the citizens of Rutland for your support of the Rutland Fire Department.

Respectfully Submitted,
Robert Schlachter, Chief Engineer

Rutland Fire Department

Open Burning Information

Open Burning

Open burning other than small cooking fires is not permitted within the City of Rutland unless a permit is issued by the Chief Engineer. It is always a good idea to check with the department if you have a question.

The reason for this policy is that Rutland is a densely populated community with buildings close together. In addition to the possibility of a fire spreading to a structure there are concerns about air quality and the nuisance smoke can create for people with respiratory problems.

The policy on issuing burning permits is as follows:

The only permitted open burning in the city will be:

- Small fires for cooking, including clean untreated wood, LP gas or Charcoal are allowed without a permit.
- Fires for educational institutions or community events such as bonfires for sporting events. In the case of a bonfire the fire department stands by while the fire is in progress these fires are typically in more remote areas of the City.
- Emergency situations as directed by health officials or the Mayor.

The burning of trash, painted/treated wood, shingles, tires and similar materials is prohibited by state law. Only clean, untreated wood can be burned at a permitted fire. Persons who have un-permitted fires or are burning illegal materials are subject to being issued a ticket for violation of the open burning ordinance and may be subject to additional state enforcement actions.

Report of the Rutland Historical Society

Chuck Piotrowski, President

To the Honorable Mayor, Board of Aldermen and Citizens of Rutland City:

The Rutland Historical Society is an all-volunteer non-profit organization that serves the community through collecting, preserving and sharing the history of the city. It continued over the past year to promote the history of Rutland in the community and throughout the world. Here is a summary of some of the highlights of the Society's 40th year.

In the Community: The Society's commitment to the community continued unabated. Society members gave presentations to the Boys and Girls Club, the Godnick Center, the Kervick Center, The Meadows, the Loretto Home, the Rutland County Retired Teachers Association, the Grace Church Fortnightly Club and others. It took people on bus tours, walking tours and "virtual" tours. Members created exhibits at Lake Sunapee Bank (in conjunction with Friday Night Live) and at the Winter Farmers Market. They also participated regularly in the Rutland Creative Economy meetings and marched in both the Loyalty Day and Halloween parades. Members also provided research help for community projects such as the Rutland Creek Path.

In the Schools: The Society endeavored to encourage Rutland's youth to get involved in their past. The Society's research library was used by students for their research projects. Classes visited the Society and Society members visited classrooms to give presentations on many aspects of the area's history.

In Vermont: The Society continued its leadership role among the state's local historical societies. The Society's Curator, Jim Davidson, was a featured speaker at the joint meeting of the Vermont Museum and Gallery Alliance and Vermont Local Historical Societies. Three of the Society's members were featured speakers at the Fall Conference of the Vermont Academy of Arts and Sciences. The Society celebrated Rutland's marble cutting heritage at the Vermont History Expo. This exhibit focused on 3 significant Rutlanders and explored their contributions to the marble industry. The Society's exhibit entertained many and was featured in a *Rutland Herald* article.

In Print: *News From Nickwackett*, the Society's newsletter, and the *Rutland Historical Society Quarterly*, the Society's award winning publication, were published regularly throughout the year. The *Quarterly* featured serious explorations of local history usually written by an author in the community. Helen Davidson continued to write a weekly column entitled "Tidbits From Then and Now" which is published in *Sam's Good News*.

On Television: The Society continues to produce *Historically Speaking*: As of this writing, 97 episodes of the popular half hour television program have been created and broadcast to the Rutland area. Episodes are now broadcast to the world via PEG TV's web page. This television program, along with the web site described below, took the history of Rutland to a regional and global audience. Based on this success the Society will work in the upcoming year with PEG TV on a second show for the government access channel.

On the Web: The Society's web site was a great success. The site, www.rutlandhistory.com, was created by the Society in 2005 and expects to reach its one millionth visitor sometime in October 2008. The Society projects over 450,000 site visits for 2008 alone. The site is devoted to sharing Rutland history, discussing family genealogy and related topics. People from all over the world in pursuit of information interact with Society volunteers through the free "Message Board."

In Person: The Society continued to receive visitors to its headquarters at the restored Nickwackett Fire House. There visitors perused the exhibits or took advantage of the expertise of volunteer local historians and genealogists. While the Society continued its long tradition of providing live programs, it should be noted that these programs tend to draw very few people. Last year's programs featured two roundtables. While the Society will continue to encourage live presentations it has concluded that its efforts will be better spent performing the kind of outreach mentioned earlier in this report.

Finally, it must be noted that none of the above could have happened without the efforts of a volunteer member corps who give unselfishly to the Society. We are always looking for new members, new volunteers, new artifacts and new histories. We thank the people of Rutland for their support.

Respectfully submitted,
Chuck Piotrowski
President
Rutland Historical Society

Report of the Legal Department

Andrew G. Costello, City Attorney and Grand Juror

To the Honorable Board of Aldermen and the citizens of the City of Rutland:

In the past year, the City Attorney's Office has continued to work on all legal matters that come before the city. These areas include union negotiations, ongoing litigation and legal counsel to various departments and boards.

In May, the city signed a new contract with the union representing Department of Public Works employees. During negotiations, the city was focused on lowering health care costs, containing salary increases and assuring that the department was still able to perform needed upkeep and maintenance of the city's infrastructure while responding to various emergencies that may arise. We believe that the resulting contract accomplishes all of these things. It limits the employee pay increase to one comparable to previous contracts but also calls for contributions to health care premiums from all union members – a requirement that previously had never been present in any union contract. The new contract also eliminates the requirement that two D.P.W. employees ride in a truck while sanding or salting roads. The city believes that this will significantly reduce overtime costs that accumulate each winter. After the contract with the D.P.W. union was signed the city began work on the contract with the union that represents Rutland City firefighters. We anticipate that a new three-year contract with the R.F.D. union will be reached shortly.

A number of active court cases continue with the city as either a plaintiff or defendant. The largest of these is the litigation involving the collapse of the roof at the water filtration plant. In addition, the city is a defendant in two cases against the Police Department, an action about whether a local private, non-parochial school is tax exempt, and two cases brought by former city employees, one in relation to health care benefits and one covering pension benefits.

This office has also represented the city in appeals of decisions from the Development Review Board and City Planning Commission, as well as in the negotiation of a settlement with the Town of Rutland over ticket revenues that were incorrectly allocated by the State's Judicial Bureau.

As always, I would like to thank administrative assistant Lisa Pearson for all her help during the past year.

Report of the Rutland City Police Department

Anthony L. Bossi, Chief of Police

To The Citizens of Rutland City:

I am pleased to submit to you this Annual Report of the activities of the Rutland City Police Department for Fiscal Year 2008.

The Police Department has an authorized strength of 41 sworn full-time officers and 11 full-time civilian positions. Sergeant Bernard Mulcahey and Corporal Christine Gregorio retired this year from the department after many years of dedicated service to the citizens of the City of Rutland. They both will be missed and we wish them well in their retirement. The department continues to promote training for our personnel. Department personnel have attended over 4,000 hours of training this year.

During this year the department opened up 72 drug cases and made 41 arrests in drug cases. The department conducted 20 search warrants on these drug cases. Approximately 75% of crime in Rutland is still narcotic and drug related.

Total Part 1 and Part 2 crimes were up 1.3% from last year, down 2% from 10 years ago and down 11% from 20 years ago. Total police incidents were down 1.4% from last year and total arrest were down 11.1% from last year. The department investigated 12.5% less motor vehicle crashes this year compared to last year.

Rutland United Neighborhoods (RUN), the Rutland Recreation Department and the Rutland Police Department sponsored Rutland's 6th Annual National Night Out. We would like to thank the community volunteers, agencies and businesses for their generosity. Special thanks to the NNO planning committee for making the event such a huge success.

The Rutland City Police Department continues to benefit from the assistance of the Rutland City Police Commission. The members of the Police Commission volunteer their time and expertise to the department and their dedication is deeply appreciated.

R. Richard Smith, Chair of the Police Commission retired from the Police Commission this year after 20 years of service. I would also like to express my appreciation for the support the Police Department receives from Mayor Christopher Louras, members of the Board of Alderman and other City departments. Additionally I would like to thank the supervisors of the Rutland City Police Department, Captain Tucker, Lieutenant Geno, Sergeant Perkins Day Shift 1, Sergeant Sly Day Shift 2, Sergeant Elrick Night Shift 1, Sergeant

Schauwecker Night Shift 2, Sergeant Tarbell ASU and Sergeant Stevens BCI and most importantly I would like to personally thank all members of my department for their dedicated service and for commitment to providing best possible police service.

Day Shift I

Day Shift 1, under the supervision of Sergeant Tarbell, carried on with business as usual during the first six months of the fiscal year with the core members of the shift remaining in place. In January 2008, Sergeant Tarbell returned to his regular duties as The Administrative Services Unit Commander and Sergeant Debra Perkins became the Shift Supervisor. Corporal Larson left to fill the vacant Community Policing Officer position and was replaced on shift by Corporal Charles Hall, formerly assigned to Night Shift 1. Communications Operator Brad Hale came to the Rutland Police Department with eighteen years of experience from the Manchester Vermont Police Department, and was assigned to work the noon to midnight dispatch shift overlapping Day Shift 1 and Night Shift 1. In March 2008, Officer Ted Washburn, the youngest member of the Rutland Police Department, was also assigned to Day Shift 1 under the direct supervision of Field Training Officer Corporal Hall. Officers Tuepker, Sheldon, Nesshoever and Schutt and Communications Operator Walters remained steadfast in their commitments through the melding process with the newest additions to the shift.

Day Shift 1, in the latter six months of fiscal year 2007 responded to 1,591 assigned calls, made 136 criminal arrests, conducted 534 motor vehicle stops and issued 476 Vermont civil violation complaints for motor vehicle related offenses.

In addition to required courses, the men and women of Day Shift 1 completed training in the areas of Law Enforcement's initial response to child sexual abuse, advanced driver training, FTO procedures, and basic crime scene investigation, keeping kids safe on the internet, laser operation and communications operator refresher training. A majority of shift members also trained and continue to instruct other RPD members, Vermont Police Academy Cadets, Police Explorers and members of the public in a variety of police and safety related topics.

The personal interests and hobbies of the shift members include golf, hunting, camping, kayaking, photography, motorcycling, biking, hiking, mixed martial arts and church related activities, just to name a few.

Day Shift 1 is committed to serving the citizens of Rutland City and has over 130 years of combined law enforcement experience to draw upon. Morale is high and teamwork is how we accomplish our mission.

Day Shift II

Day Shift II is one of two day shifts at the Rutland City Police Department and is currently comprised of five sworn law enforcement officers and two civilian communications operator. Three of the sworn police officers assigned to Day Shift II have served in their respective branch of the United States Military with all three Officers achieving a Non-Commissioned Officer rank prior to their completion of service and Honorable Discharge from active duty. Three of the sworn police officers assigned have completed post secondary education and hold a college degree in their respective field of study as well. One of the sworn police officers assigned has attended the Federal Bureau of Investigation National Academy at the FBI Academy in Quantico, Virginia where his studies concentrated on Interview / Interrogation strategies and Interpersonal Violence. In total, the sworn and civilian personnel assigned to Day Shift II represent 122 years of dedicated service to the Rutland Community.

In addition to the standard compliment of law enforcement training received during the course of their respective careers, Day Shift II personnel have additional specialized area(s) of law enforcement training and expertise. These specialized area(s) are, but not limited to; Police Motor Cycle Operation, Traffic Crash Reconstruction, State certification to instruct traffic crash investigation, state certification to instruct Police Traffic Radar and Lidar systems, DataMaster Supervisor/Technician (infrared breath alcohol testing unit), Portable Breath Testing repair technician (field breath alcohol testing unit) and mobile video unit repair technician just to name a few.

Besides their assigned duties and required responsibilities, several members of Day Shift II have volunteered to serve on the Rutland Police Benevolent Association Executive Board as both a Board Member and President in past years. One member has also served as an Executive Board member and President of the Vermont Police Association and continues to serve on the VPA's Board of Trustees.

During the fiscal year ending June 30th, 2007, Day Shift II personnel were involved in the following events and duty assignments:

1. Assigned to over 2,625 criminal complaints and requests for service.
2. Assigned as assisting officer in over 1,029 criminal complaints and requests for service
3. Took 134 person(s) into custody for alleged criminal conduct (misdemeanor and felony crimes)
4. Initiated 734 traffic stops for deviant operation and violation of Vermont's motor vehicle laws and Rutland City traffic ordinances.

5. Issued 363 Civil Traffic Violation Notices to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.
6. Issued 577 verbal warnings to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.

Day Shift II personnel are also pro-active in their participation in the Rutland United Neighborhood Project and fully support the concept and practical application of Community Based Policing / Problem Solving. Day Watch II personnel also actively participate in, but not limited to, all Highway Safety campaigns (such as Click It or Ticket), Project S.T.A.R.T. (which addresses teenage drinking), National Night Out (which is designed to promote stronger interaction between the Community and their Police Department) and more.

Night Shift I

For the period 1 July 2007 through 30 June 2008, officers on Night Shift I handled 3,129 calls for service, made 246 arrests, stopped 1,112 vehicles, and wrote 839 traffic tickets.

Between July and December 2007, officers assigned to Night Shift I were Sergeant Linda Elrick, Corporal Charles Hall, Officer Frank Post and K9 King Luther, Officer Seth Richardson, and Officer Jason Johnson. Between January and June 2008, officers assigned to Night Shift I were Sergeant Linda Elrick, Corporal Robert Gorruso, Officer Matthew Prouty and K9 King Riley, Officer Craig Hunt, Officer Seth Richardson, and Officer Jason Johnson. These officers bring 93 years of police knowledge and experience to the City of Rutland. Communications Operator Lynette Gallipo was joined in January by Bradley Hale, who is an experienced 18 year veteran dispatcher from the Manchester VT Police Department. Together, they bring 30 years of dispatch knowledge and experience to the City of Rutland.

Shift personnel continue to participate in a variety of community and police related programs including Rutland United Neighborhood's (RUN) National Night Out, the Click It or Ticket Highway Safety Enforcement Program, the underage drinking program initiative called Project S.T.A.R.T., Canine Demonstrations, and Child Safety Seat Fitting Stations. Communications Operator Lyn Gallipo continues as a certified child safety seat inspector and this year completed 47 inspections. The Rutland Car Seat Fitting Station was again the busiest in the state. Officer Seth Richardson attended Commercial Vehicle Inspection Training, and joined

Officer Post in performing inspections on commercial vehicles. Officer Hunt is the Shift's Crime Scene Technician and he is often assigned to various incidents in which he is found collecting fingerprints, taking photographs, and collecting scene evidence. Sergeant Elrick, Officer Prouty, and Officer Richardson serve on the Department Honor Guard. Officer Prouty and K9 King Riley received the 2006 Patrol Team of the Year Award and 2007 K9 Handler of the Year Award in February, 2008.

This year Ms. Gallipo once again created and coordinated the Department's annual Pedometer Challenge. Route 66 is 2,450 miles and runs from Chicago, IL to Santa Monica, CA. We walked Route 66 three times, traveling through Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona, and California. We were on our way back to Chicago, traveling through Arizona, when the Pedometer Challenge ended. Participants walked 15,993,332 steps (yes! Almost 16 million steps!) or 7,997 miles, averaging 266 miles per person.

Here are a sample of the cases Night Shift 1 officers have handled over the past year and have chosen to share with you. Officers were on the scenes of medical rescue calls, burglaries, murder cases, suicides, stolen vehicles, grand larcenies, narcotics cases, and fraud cases. On a cold January night, Officer Prouty was dispatched to the report of a baby who was not breathing. Upon arrival, Officer Prouty was able to resuscitate the infant and keep the infant breathing until Regional Ambulance Service arrived and took the baby to the hospital. Officer Hunt investigated a case of custodial interference, in which a mother took her child, preventing the father and legal custodial parent from having the child. Officer Hunt's quick action and competent investigation gave the State's Attorneys Office the facts and circumstances they needed to obtain a warrant for the female offender and subsequently an RPD Detective was able to make a felony arrest for custodial interference. Officer Johnson was assigned to a case of stolen credit cards. Through his investigation, he was able to make an arrest for fraudulent use of credit cards totaling over \$1200.00. Officer Richardson tenaciously tracked down a subject who was calling in false 9-1-1 reports of guns at a local service club, resulting in a felony arrest. Officer Prouty and K9 King Riley have done a lot of work together over the last year assisting both Department officers and troopers from the Rutland State Police Barracks. K9 Riley alerted positively for drugs on \$2,000.00 in cash which was found in a safe during the execution of a search warrant in the City. In another drug related case, K9 Riley assisted Vermont State Police by tracking and locating a male described as running around and acting crazy outside of a local hotel. After the track, K9 Riley did a search of the hotel room and located 6.5 grams of marijuana and 12.5 grams of cocaine. Vermont State Police notified local law enforcement agencies to look for a vehicle

involved in a robbery at a grocery store. Officer Prouty located the vehicle and attempted to stop it, but the operator took off with Prouty in pursuit. The pursuit ended when the suspect drove up a dead end street. The suspect took off on foot, but K9 King Riley apprehended the man. Officer Prouty arrested the individual for Attempting to Elude and issued a number of traffic tickets. As a result of Officer Prouty and K9 King Riley's apprehension of this individual, Vermont State Police were able to charge the individual with Grand Larceny of \$5,000.00. From time to time the City is plagued with thefts from motor vehicles. In February, Officer Hunt was dispatched to a report of two males attempting to get into vehicles. Arriving on scene quickly, and with help from Officer Johnson, Officer Hunt was successful in making an arrest for larceny from a motor vehicle. In November, Officers Johnson and Hunt were both assigned to separate reports of gunshots to buildings and people. While two of these cases were not solved due to lack of information, Officer Johnson was able to make an arrest in one of the reported cases where a young woman was shot. Officer Richardson received information from a citizen regarding drug activity. He applied for and was granted a search warrant, which he executed on a City apartment, successfully locating 1.7 grams of cocaine and making a felony arrest. In January, the entire shift assisted Rutland Fire Department in the evacuation of a local motel where a fire had been reported. A number of the motel guests were unaware of the fire until officers and firefighters started knocking on doors to evacuate them. Fortunately, no injuries or deaths occurred.

Whether the officers on Night Shift 1 are writing traffic tickets, making arrests, or assisting citizens with non-criminal calls for service, the men and women of Night Shift 1 are hard-working professionals who believe in providing excellent service to the citizens of the City of Rutland. I personally wish to thank each and every one of them for their dedication and professionalism as they protect and serve the Citizens of the City of Rutland.

Night Shift II

Night Shift 2 is one of the two shifts that work 1800-0600 hours, rotating over a two week period for the Rutland Police Department.

For the fiscal year ending June 30, 2008 this shift was comprised of six (6) sworn officers, and one (1) communications operator.

Allow me to introduce to you the staff of Night Shift 2, and their years of service to the Citizens of Rutland and the Rutland Police Department.

Sergeant David Schauwecker, 21 years, Corporal Andrew Todd 4 years, Officer Joseph Bartlett 8 years, Officer Frank Post 4 years and his partner K9 King Luther, Officer Ken Mosher 1 year, Communications Operator Patricia Dunchus 21 years. We also have had two School Resource Officers assigned to our shift for the summer months. Officer Chris Greene 22 years and Officer Keith Lorman 6 years.

Sgt. Schauwecker is currently Field Training Officer Justin Souza, who graduated from the Police Academy this past June.

Communications Operator Patty Dunchus is currently Field Training Erin Towsley, who will be the new Communications Operator on the 1200-2400 shift.

Night Shift 2 welcomes Justin and Erin to the Police Department and wishes them well in their new career.

Night Shift 2 had a very busy year.

Below is a breakdown of what Night Shift 2 personnel accomplished in the past 12 months.

1. We responded to **2411** calls for service.
2. We arrested a total of **381** subjects for criminal behavior for both Felony and Misdemeanor offenses.
3. The shift was very busy with traffic enforcement and issued a total of **985** tickets.
4. **675** Radar hours.
5. **1647** occupants were wearing seatbelts and **197** occupants were not wearing seatbelts during those stops.

The members of Night Shift 2 continue to provide their support for the city of Rutland though out the year by assisting in many community activities. The shift takes a zero tolerance stand to underage drinking and has issued many Court Diversion and civil tickets for these offenses.

The officers were also involved in many events to include but not limited to Click it or Ticket, DUI and Safety check points, Highway Safety enforcement, S.T.A.R.T. and assisted in many Search Warrants for Narcotics.

It has been our pleasure to serve the Citizens of Rutland and look forward to the next year.

Bureau of Criminal Investigations

The Bureau of Criminal Investigations is primarily responsible for the investigation of all major crimes, as well as a support service to the uniformed officers. We further assist the administrative support services unit of the department when needed. The investigation unit consists of detectives who have received specialized training in all areas of law enforcement. In addition, the crime lab offers another level of support services.

In the past 12 months, 229 new investigations were opened on a wide range of offenses, resulting in 75 arrests being made, with some cases remaining active at this time and possibly pending further arrest. Some investigations literally go on for months depending on a number of different factors.

Detectives involved in the investigation of narcotics continue to be very busy, and have had another successful year in their efforts to identify and apprehend persons distributing illegal drugs in our community. This year exceeded more than \$ 29,000.00 in street value of drugs confiscated. The detectives arrested 41 individuals as a result of their investigations. The drugs, Heroin, powdered Cocaine and Crack were the majority of drugs in the past 12 months.

This past year has been a time when a number of serious criminal case's have required many long hours of investigative work, and these case's continue to be active as they near completion through the criminal justice system. These cases involve murder, manslaughter, rape and child sexual abuse to name a few.

The crime lab is another busy area for the investigations unit. Many pieces of evidence are collected over the course of a year from various crime scenes. From there, the evidence gets evaluated, processed and packaged for delivery to the state lab.

The detectives unit further attended 468 hours of training in various fields of investigations throughout the year. It is extremely important to maintain a high level of proficiency.

In the BCI Unit, some personnel changes were made in the past 12 months. Det. Debra Perkins was promoted to the rank of Sergeant and returned to the uniform patrol division as a patrol commander. The BCI unit is also pleased to welcome Det. Sam Delpha from the patrol side of things to the investigations unit. He is already in place and carrying a variety of cases.

As part of the investigations unit, members continue to be proactive in the community and support many other agencies in their efforts.

Administrative Services Unit

The Administrative Services Unit of the Rutland encompasses the largest unit within the agency. Diverse regiments such as School Resource Officers, Community Oriented Policing, Recruitment, Animal Control, Downtown Beat Patrol, Parking Enforcement and Records fall under the scope of services provided.

Sgt James Tarbell handles a diversity of duties ranging from pre-employment background investigations for new recruits, Traffic Safety Committee assignments, firearms instruction and field training for new officers along with managerial oversight of ten full time department employees.

Sgt Tarbell handles issues such as assuring new street signs are ordered and works with the Public Works Department relative to pavement and crosswalk markings to provide better motorist and pedestrian safety throughout the community. Sgt Tarbell has also served in the capacity of Shift Commander handling a full shift load in addition to his ASU duties.

Cpl Ed Larson joined the unit and has been working with downtown merchants and various aspects of the community in dealing with site specific issues. Additionally the development of dozens of presentations tailor made to our communities needs have resulted in hundreds of citizens receiving safety training. Together with Ofc Tuttle presentations have been made to a large commercial entities, day care providers, landlord associations, police cadets, as well as public service and safety agencies. These presentations run the gamut from narcotics awareness to home, internet and personal safety while shopping. Participation in lockdown drills and evacuation drills for public buildings and schools has been a high priority.

Cpl Larson continues to provide hazmat training to our agency, members of the Rutland County Sheriffs Department, Stafford Technical School students and is an instructor for the Vermont Animal Cruelty legislation. In the area of Emergency Management Cpl Larson has achieved over seventy FEMA certificates for completed training, thirteen more certificates from the Centers for Disease Control, and nineteen certificates from the University Of North Carolina School Of Occupational Safety; as well as seventeen on line worker safety courses through the Vermont Leagues of Cities & Towns.

Cpl Larson also handles notifications to businesses and agencies for excessive false alarms as the Police Department attempts to reduce the number of false alarms and the resultant cost to the community. Cpl Larson also handles the Rutland City Police Drug Tip Line, Cpl Larson has also assisted in the planning

of National Night Out, TRAIID and provided special presentations for senior citizen safety at the Godnick Adult Center.

Cpl Larson in cooperation with the Boys and Girls Club of Rutland attended training at the Cal Ripken Foundation with the goal being the establishment of safe and healthy alternative sports programs for the Boys and Girls Club and the young people of our community.

Ofc Tim Tuttle has provided training and recruitment for the Volunteers in Police Service program which will place citizens onto Rutland City streets and neighborhoods. These citizens (V.I.P.S.) will look for potential neighborhood problems; which will include crime, however they will also act as ambassadors in the downtown area to provide assistance to the general public. Ofc Tuttle also engages in bi-weekly radio appearances on regional stations to provide information and answer questions the public may have about Rutland Police services.

The recruitment of new law enforcement professionals for the Rutland Police Department is also a part of Ofc Tuttle's responsibilities. This has resulted in new hiring's for law enforcement officer at both the full time and part time capacity and a new Communications Operator. Ofc Tuttle also monitors the progress of new Rutland Police Department recruits while they attend the Vermont Police Academy in Pittsford, VT. Ofc Tuttle is also responsible for new and replacement uniforms and equipment orders for the department personnel.

Three School Resource Officers continue to serve as a Law Enforcement presence in our public schools. These officers handle calls for service in the schools, including accidents, thefts, disturbances and child welfare issues; thus relieving regular patrol officers to continue providing coverage to the remainder of the community. The School Resource Officers also provide annual walk through school familiarization training for Rutland City Police Officers.

Ofc Mike Warfle remains assigned to the Rutland High School and Stafford Technical Center, and works with school administrators, staff as well as parents and students on a multiplicity of concerns. These concerns range from but are not limited to parking problems, counseling issues as well as security for both facilities. Ofc Warfle also assists with the D.A.R.E. Program

Ofc Chris Greene remains assigned to the Northeast, Northwest Elementary, Pierpoint Learning Center, and Success School.

Ofc Greene works with our youngest students providing a positive role model; taking part in numerous activities with the children throughout the school year. Ofc Greene also assists with the D.A.R.E. Program and instructs this course also at the Christ the King School.

Ofc Keith Lorman is the assigned law enforcement presence in the Rutland Intermediate and Rutland Middle Schools. Ofc Lorman works continuously with staff and students to keep a harmonious atmosphere in both facilities. Ofc Lorman is a D.A.R.E instructor and is another positive role model for our students.

All three School Resource Officers conduct health and welfare checks on students who may be absent from school under circumstances which may require police intervention. Mediation, mentoring and early identification of At Risk Youth is a daily protocol for all three officers. The bridge that these officers provide result in time and cost savings to the taxpayers as over two hundred calls for service do not require a police patrol response but are handled in house.

Craig Petrie is assigned to Animal Control and deals with domesticated animal issues in Rutland City. During this reporting period ACO Petrie handled 273 assigned calls for service with another 125 calls requested by patrol officers for his assistance. ACO Petrie works continuously with animal rights organizations, the Rutland City Cat Allies, and the Rutland County Humane Society. ACO Petrie works with representatives of the Humane Society of the United States to provide education on Vermont Animal Cruelty Laws to law enforcement officers and citizens.

ACO Petrie works closely with other Rutland City agencies to remove stray animal from abandoned structures and also assists the Vermont Wildlife agencies in rabies detection matters, and other issues affecting the public health and welfare.

Tom LaFond is assigned to Parking Enforcement and he works diligently to provide parking enforcement in the metered area of downtown Rutland. During this time period PE LaFond issues approximately 10,000 parking tickets with revenues of approximately \$68,000.00. Unpaid parking tickets resulted in the deployment of 'the boot' and netted the City of Rutland and additional \$3,500.00 in revenue. PE LaFond has assisted in locating missing/endangered adults and children in the downtown area, and is a contact person for visitors and others seeking directions to many services provided in the Rutland Community.

In 2007 the Rutland Police Department handled 12,746 calls for services. All of these calls were processed by the Records Office staffed by Judy Sambrook and Deb Pockette.

Nearly a thousand traffic accidents, twelve hundred arrests, six thousand traffic tickets, and thousands of telephone calls were handled during this time period. The scheduling for civilian finger printing, attorney discovery requests, input for the Vermont Agency of Transportation, individual requests for police reports, and long term record storage is only a small portion of the tasks accomplished by

these two veteran employees. Deb Pockette also provides Information Card services for not only this agency, but other agencies and senior citizens at such events as the Rutland County Triad picnic.

Judy Sambrook is also certified to complete civilian fingerprints as the Rutland City Police Department is the Rutland County Identification Center as established by the Vermont Criminal Information Center. Also assisting in the fingerprinting are Sgt Tarbell, Cpl Larson and Ofc Tuttle. Some two dozen persons weekly are fingerprinted for educational employment purposes, adoption, caregiver, and licensing.

The Records Office provides valuable services to officers who require court paper work for criminal and civil cases and maintains a continuous flow of paperwork request for the Rutland County States Attorney, Rutland County District and Family Courts, and the Department of Children and Families. The professionalism and dedication of both Judy Sambrook and Deb Pockette is reflected by the positive public and police response to their efforts.

The Administrative Services Unit is a part of the overall Rutland Police Department's law enforcement team. We are proud of the services we provide to our community.

PART I CRIMES

Criminal homicide –

a. Murder and non-negligent manslaughter: the willful (non-negligent) killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, accidental deaths, and justifiable homicides are excluded. Justifiable homicides are limited to:

1. the killing of a felon by a law enforcement officer in the line of duty; and
2. the killing of a felon by a private citizen.

b. Manslaughter by negligence: the killing of another person through gross negligence. Traffic fatalities are excluded. While manslaughter by negligence is a Part I crime, it is not included in the Crime Index.

Forcible rape – The carnal knowledge of a female forcibly and against her will. Included are rapes by force and attempts or assaults to rape. Statutory offenses (no force used – victim under age of consent) are excluded.

Robbery – The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated assault – An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

Burglary-breaking or entering – The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

Larceny-theft (except motor vehicle theft) – The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples are theft of bicycles or automobile accessories, shoplifting, pocket-picking, or the stealing of any property or article which is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, “con” games, forgery, worthless checks, etc., are excluded.

Motor vehicle theft – The theft or attempted theft of a motor vehicle. A motor vehicle is self-propelled and runs on the surface and not on rails. Specifically excluded from this category are motorboats, construction equipment, airplanes, and farming equipment.

Arson – Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

PART II CRIMES

Forgery and counterfeiting – Making, altering, uttering, or possessing, with intent to defraud, anything false in the semblance of that which is true. Attempts are included.

Fraud – Fraudulent conversion and obtaining money or property by false pretenses. Included are confidence games and bad checks, except forgeries and counterfeiting.

Embezzlement – Misappropriation or misapplication of money or property entrusted to one's care, custody, or control.

Stolen property; buying, receiving, possessing – Buying, receiving, and possessing stolen property, including attempts.

Vandalism – Willful or malicious destruction, injury, disfigurement, or defacement of any public or private property, real or personal, without consent of the owner or persons having custody or control.

Sex offenses (except forcible rape, prostitution, and commercialized vice) – Statutory rape and offenses against chastity, common decency, morals, and the like. Attempts are included.

Drug offenses – State and local offenses relating to the unlawful possession, sale, use, growing, and manufacturing of narcotic drugs.

Family/children (Offenses against) – Non-support, neglect, desertion, or abuse of family and children.

Liquor violations – State or local liquor law violations, except "drunkenness" and "driving under the influence." Federal violations are excluded.

Disorderly conduct – Breach of the peace.

Simple assaults – Assaults and attempted assaults where no weapon is used and which do not result in serious or aggravated injury to the victim.

Weapons; carrying, possessing, etc. – All violations of regulations or statutes controlling the carrying, using, possessing, furnishing, and manufacturing of deadly weapons or silencers. Included are attempts.

Prostitution and commercialized vice – Sex offenses of a commercialized nature, such as prostitution, keeping a bawdy house, procuring, or transporting women for immoral purposes. Attempts are included.

Gambling – Promoting, permitting, or engaging in illegal gambling.

Vagrancy – Vagabondage, begging, loitering, etc.

Driving under the influence – Driving or operating any vehicle or common carrier while drunk or under the influence of liquor or narcotics.

All other offenses – All violations of state or local laws, except those listed above and traffic offenses.

Report of the Recreation and Parks Department

EJay Bishop, Superintendent

To the Mayor, Board of Alderman and Citizens of the City of Rutland:

I am delighted to submit the annual report of the activities and accomplishments of the Recreation and Parks Department for the fiscal year of 2007-2008. This year brought many opportunities for this department none of which was larger than the Giorgetti Arena project.

The Giorgetti rink project was completed to the point where the rink opened in mid November for the first time with refrigerated ice. By all accounts the first year was extremely successful. The construction project was managed internally saving the city substantial funds with Jay Siliski as the project foreman, Bob Peterson as the project supervisor and EJay Bishop as the project manager. The bulk of the project was also accomplished internally with the exception of the major elements. Typically, a project like this would have cost well over \$1,000,000 however, the project was made possible due in large part to the major donation from Kevin Elnicki and Earth Waste Systems. Mr. Elnicki donated the entire used refrigeration system and glass making the remaining project costs attainable. The substantially lower cost of approximately \$285,000 was funded with non-taxpayer resources and all the borrowed funds will be reimbursed to the various accounts within seven years. The entire recreation staff went above and beyond to achieve this daunting task and I am extremely proud and appreciative of their individual contributions whether they directly participated or they maintained the many other "day to day" functions of this department. After the ice was removed, Flip Side Skate Park located at the arena, opened for the third season in May with additional improvements to the park and the first time satisfaction of operating a complete park. Thanks to Jay Willman and his staff for putting the finishing touches on a wonderful venue. Although there will be some continued ongoing improvements to the Giorgetti facility the bulk of the work is complete. Stop by and check it out.

While you are there take a hike or ride a mountain bike in Pine Hill Park adjacent to Giorgetti Park. Michael Smith, Shelly Lutz, Tim Vile and Keith Wight have transformed this wooded land into a recreational experience you shouldn't miss! With the administrative support and guidance of Cindi Wight, these volunteers and many others, including the GE Volunteers, VELCO and YouthWorks, continue to work tirelessly providing maintenance of existing trails and development of new trails. The city can't thank all of you enough! The City of Rutland should be extremely proud of the northwest corner for these two parks have become a true jewel.

The Rutland Community Recreation and Aquatics Center project continued to move forward towards the goal of a new facility. The Rutland County Recreation District finalized a conceptual plan that included relocating the facility to the Giorgetti Athletic Complex located in the city. The new design incorporated the existing arena that is used as a skate park in the spring, summer and early fall and an ice arena in the winter. The center will also include a multi-use indoor pool, an arena with two full-sized multi-use courts, a weight and fitness area, a multi-use studio room, a multi-use community room with a catering kitchen, a walking and jogging track, a childcare area, administrative offices, and locker room facilities. In November 2008, the district plans to vote determining if the participating communities, Rutland City and Mendon, will support the financing and construction of the recreation center. If approved, a significant portion of the City's Recreation Department functions will be transferred to the District.

The department presently provides programs attracting approximately 10,000 participants per year. Special events presented by the department draw 15,000 to 20,000 people yearly. The larger facilities conservatively combine for over 85,000 visits per year not including everyday use of the smaller parks. This department continues to provide a wealth of services far beyond the normal expectations of a City this size and the level of resources available. The combination of volunteers, local organizations, businesses, part-time staff and our full-time staff provide the resources necessary for this department to flourish. Thank you for allowing me the privilege to be a part of it.

Sincerely,
EJay Bishop, Superintendent

Facilities

Alexander Keefe Memorial Park - Located on Water Street
Playground equipment

Center Street Alley Park - Located inside the downtown block formed by Wales, Center, Merchants Row and Washington Streets.
Benches & picnic area.

Cioffredi Complex- Located off Temple Street
2 Softball Fields and open space.

Community Garden - Located off Woodstock Avenue behind McDonalds
Garden plots available for public use

Dana Recreation Center - 39 East Center Street
Telephone # 773-1822; Fax # 775-2030
Recreation Department offices, program/meeting rooms, and gymnasium.
Additional offices for: Killington Music Festival • Drum Journey's of Earth •
Rutland County Soccer Club
Classroom and conference space for: Rutland Mental Health • Head Start
Classroom • EEE Classroom

Depot Park - Located on the corner off Merchants Row and Evelyn Street
Benches and gardens, home of the Farmer's market from spring thru fall. In
conjunction with Rutland Partnership, Thursday evening concerts and movies
were held in the park several nights throughout the summer.

Giorgetti Athletic Complex - Located off Oak Street Extension
Telephone # 775-7976
1 Baseball Field, 1 Softball Field, Giorgetti Arena (Flip Side Skate Park& an
ice-skating rink, pedestrian trails and open space.

Godnick Adult Center - 1 Deer Street
Telephone # 773-1853
Recreation Department offices, program/meeting rooms, exercise room, meal
site, gazebo, shuffleboard courts, & open space.

Justin Thomas Memorial Park -
Located on the corner of Madison and Prospect Streets
Gazebo, playground equipment and picnic tables.

Main Street Park - Located on Main Street between West and Madison Streets
Arboretum, bandstand and benches.

Monsignor Thomas Connor Memorial Park - Located off Meadow Street
2 Basketball Courts, 3 Tennis courts, 2 Softball Fields (one with lights), open
fields, and playground equipment.

Pine Hill Park - Located next to the Giorgetti Athletic Complex
275 acres with 14 miles of hiking and mountain biking trails.

River Street Park - Located on the corner of River and Meadow Streets
Playground equipment and picnic tables

Rotary Park - Located off North Street
Field House, playground equipment, 1 basketball court, 1 youth baseball field,
open space & two handball courts.

White Memorial Park - Located at the end of Avenue B
Swimming & wading pools, pool house, 1 youth baseball field, 5 tennis courts
and 2 basketball courts.

Capital Needs

Incorporate a citywide initiative to establish a capital replacement fund, which
will allow for enhancements and renovations to all City parks and facilities. Most
of the existing parks and recreation infrastructure is in great need of repair,
replacement or major renovation.

- New Community Recreation Center

Dana Recreation Center

The Dana Recreation Center is the main office for the Rutland Recreation and
Parks Department. Located at 39 East Center Street, the Dana Center offers a
wide selection of programs, services and activities for the all citizens of the
community.

Report of the Rutland Free Library Association, Inc.

Paula J. Baker, Director

No doubt about it, the numbers ARE compelling: 11,567 visitors a month, 3,646 items checked out a week, library-owned online database use up 7%, library catalog and website use up 15%, reference assistance up 16%, attendance at meetings and programs in the Fox Room 8,370 or up 11%, interlibrary loan activity up 24%, and an 18% increase in library card registrations. These statistics should be a source of pride to the community for they indicate a healthy level of vitality and intellectual curiosity. Such activity, whether through Internet use, book reading, research work, or hobby pursuits demonstrates both the need for access and the value of that access to residents.

Beneath the numbers, however, lies another way of assessing a year's work: the personal stories of the thousands of individuals for whom the library has made a difference. It has long been an axiom that the tougher times get the more essential libraries become and so it would seem to be true. Job seekers check out resume books, use the library computers and printers for resume production, check the web for job leads, and apply online for local minimum wage positions in big box stores. Two-income families reduced to one have discovered the cost-saving option of free DVDs, programs for children, free Internet access, and the not-so-painful pattern of borrowing rather than buying costly magazine subscriptions. This year's summer reading program, designed to encourage reading between school terms, saw a 42% increase in enrollment as more families pared back out-of-town vacation plans. Library staff help students from first grade through college, assisting with term paper research and regularly teaching the vagaries of various search engines. Seniors can be found working on family genealogies, borrowing large print titles or borrowing for the grandchildren as they help working adult children cope.

Despite the large increases in use and a staff smaller than it was seven years ago, the library continued to reach out in NEW ways this year, by providing downloadable audio book recordings on MP3 players through the library's website [www.rutlandfree.org], co-sponsoring a *Walk & Talk* program designed to provide seniors with exercise and social interaction and a wildly successful ongoing series, *Tales to Tails*, a cleverly designed program where children read to dogs in the library, to name a few. Work has also continued on some very large elements of the library's five-year long-range plan with a focus on developing a more interactive website with blog and list capabilities, better signage, adding a self-check machine for visitors to check out their materials privately, signage and a preliminary plans for creating a quiet room in the building, which virtually hums with clicking keyboards, cell phones, friendly conversations, excited children

["Mom, I found the book I really, really wanted!"]. We also continue to serve many of the region's tourists who pop in, thrilled to find wireless capabilities for their laptops, hoping to consult a map, get a restaurant recommendation or print out directions.

The cost of maintaining these services and the upkeep of technology and an aging building is a growing problem. The library is now asking donors annually for help and this year staged a second Tables of Content fundraising event. Sales of t-shirts, canvas bags, coffee mugs and pencils all help keep the library solvent, as do the Friends of the Library, who in the past year held numerous book sales to assist with needs. The region owes a great debt to citizens in the City of Rutland, Rutland Town, Mendon, Ira and Tinmouth for their ongoing tax support to the library.

Paula Baker, *Director*

Report of the Rutland City Board of School Commissioners

Peter Mello, President, Board of School Commissioners

Mary E. Moran, Superintendent of Education

To the citizens of Rutland City:

Rutland City Public Schools is a learning organization that provides an outstanding educational opportunity to 2800 students at seven schools, two alternative sites, and the Stafford Technical Center. Our superior faculty and staff members focus on the needs of each and every child on a daily basis. Our new District Mission Statement concludes with this pledge/belief: "Every Student, Every Day." What follows is a basic and brief report on the status of the system.

Northeast and Northwest Primary Schools each serve approximately 270 students in the Early Essential Education Program (EEE) through Second Grade. The Pierpoint Primary Learning Center, located at the former regional library, houses students in grades K-2 in a multi-age program and is part of the Northwest/Pierpoint Primary School community.

The Rutland Intermediate School, located on Library Avenue, serves approximately 650 students in Grades 3-6. The Rutland Middle School, also located on Library Avenue, serves 360 students in Grades 7 and 8. Rutland High School, on Stratton Road, serves 1050 students. Approximately 250 students attend the full time program at the Stafford Technical Center, and over 800 adults take part in our Adult Education Program. Stafford programs continue to support educational and training opportunities for both the youth and adult populations of Rutland County.

The number of tuition students attending Rutland High School from Rutland Town, Mendon, Chittenden, Danby, Hubbardston, Ira, Middletown Springs, Mt. Tabor, Pittsfield, Plymouth and Stockbridge remains strong. Continued progressive programming, including a large the number of Advanced Placement and honors courses, an infusion of modern technology, the YES Plan and many additional offerings in the Fine Arts, have contributed to the consistent attractiveness of Rutland High School as the most popular school of choice for parents and students in the tuition-paying towns.

The Rutland High School Howe Center Campus serves 45 high school students in an off-campus alternative education and service-learning program designed to prevent students from dropping out of school. The SUCCESS School, located on Allen Street, serves approximately 50 students in grades K-12 who have had difficulties in adapting to a traditional classroom and school environment. This is a model program, which is conducted jointly by the Rutland City Schools and

Rutland Mental Health Services. SUCCESS combines academics, adventure-based learning, work and community service, and therapeutic services for students and their families in a way that better meets their needs, both in school and in the community.

We also offer an extensive co-curricular program for students from grade 3 through grade 12. In addition to a comprehensive athletics program, there is a wide range of clubs and activities that support student learning and development and keep our children active and safe in the after-school hours of each day. The Rutland City Fine Arts program is one of the finest in the nation, and has been recognized as such on two recent occasions. We invite citizens to attend the many music and theatrical performances of our students both in the schools and at the Paramount Theater, and to attend the various visual art displays around the community and at the Chaffee Art Gallery. In addition, the nationally recognized Tapestry Program serves over 600 children in after-school and summer programming offering extensive enrichment, tutorial, counseling, cultural and recreational opportunities. The Tapestry Program was just awarded a major competitive federal grant to support its continued service to our children.

Each school in Vermont strives to achieve, and is measured against, the Vermont Grade Expectations (GEs). The GEs are standards for all students that are measured in a number of ways. First, the state mandates that students in grades 3 through 8 and grade 10 be assessed using the New England Common Assessment Program (NECAP). Students in grade 2 are mandated to take the Vermont Developmental Reading Assessment (DRA). For 2008, the Rutland City Public Schools as a district and each school individually achieved Vermont's targeted standard, known as Adequate Yearly Progress (AYP), for "all students." Students are also assessed using local tests and in class evidence of progress toward the same Grade Expectations. These assessments are used to design instruction and target intervention, or extra help, for students in need.

The health and well being of our students is at the forefront of our thoughts. After all, a healthy student will achieve more academically than a student carrying a number of risk factors. The 2007 Vermont Youth Risk Behavior Survey contains information about the health and lifestyles of students around the state and within the Rutland City Public School district. We monitor the data from this state-generated survey as well as local data to organize our health and wellness resources in support of students and families in Rutland. We are extremely proud of our

ongoing relationships with community health and wellness agencies including Rutland Mental Health, Rutland County Head Start, the Department of Child and Family Services, the Rutland Regional Medical Center, and Rutland's Police and Fire Departments.

Your school district continues to operate in a mode of continuous improvement with a focus on professional development and student achievement. We are currently in the third year of a major focus on student literacy Pre K through grade 12. In addition to ongoing projects, teachers and administrators have recently developed a comprehensive, four-year, K-12 literacy plan.

Rutland City Public Schools strive to offer an outstanding learning experience at a reasonable per pupil cost to the city taxpayers. For this school year the district's per-pupil cost is 8% below the state average for all districts, as is shown on the FY08 State education property tax bills. It is important to note that our district ranks 62nd of the 62 school districts in the Vermont in spending on administration. In Rutland, we offer an outstanding educational opportunity for all of our children at a lower cost than the majority of the school districts in the state.

We look forward to continuing to work with you, our staff, and the students and families of Rutland City as we strive to provide the very best possible education for our community. "Every Student, Every Day"

*In FY08 Rutland City Homestead Tax payments to the State Education Fund, net of prebates and rebates, are \$4,075,774. FY08 Rutland City Non-Residential Tax payments are \$6,325,513 for total payments into the Education Fund of \$10,401,287 toward the cost of educating all Vermont schoolchildren.

Rutland School Department

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all children with disabilities is guaranteed. If your child is disabled, or you know of a child with a disability from birth through age 21 who is not currently being served, please contact the Support Services Office at 773-1917.

Report of the City Treasurer

Wendy L. Wilton, Treasurer

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

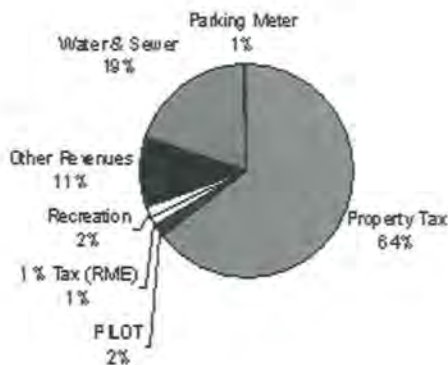

Fiscal year 2008 was my first full year as City Treasurer. With the help of a dedicated staff, and support from other city departments and taxpayers, much was accomplished resulting in better reporting and improved operations. Throughout FY 08 regular financial reports were made to management, the Board, and to the public through Board of Aldermen meetings and through the city's website: www.rutlandcity.com

Fiscal Performance:

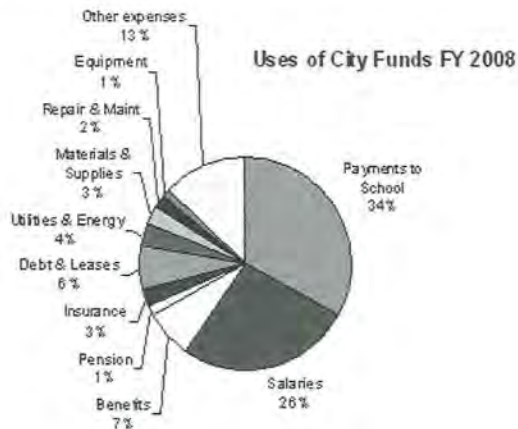

Included in the Treasurer's section of this annual report are draft (unaudited) reports of revenue and expense from our four major funds. Detailed versions of these reports are available on the website or by request. These reports include the four major funds—general fund and the three enterprise funds: water, sewer and parking meter. In the attached reports payments to Rutland Public Schools (local education share) are deducted from the expected gross tax revenues of \$24 million. The charts below show revenues and expenses for all four funds, including payments to Rutland Public Schools, to give a more holistic view of where the revenues come from and how the city spends those revenues. Audited financial statements for FY 08 will be posted to the web as soon as they are completed.

Preliminary results for FY 2008 indicate the city's revenues exceeded expenses and the city met its budgetary goals:

Sources of City Funds FY 2008

Sources of City Funding	% of total	
Property Tax	23,828,988	65%
PILOT	668,765	2%
1% Tax (RME)	465,134	1%
Recreation	660,837	2%
Other Revenues	3,925,931	11%
Water & Sewer	7,151,685	19%
Parking Meter	208,670	1%
Total Revenues	36,910,010	100%

Uses Of City Funding		
Payments to School	11,912,083	33%
Salaries	9,556,893	26%
Benefits	2,645,122	7%
Pension	510,000	1%
Insurance	988,978	3%
Debt & Leases	2,339,909	6%
Utilities & Energy	1,309,693	4%
Materials & Supplies	1,060,134	3%
Repair & Maint	691,019	2%
Equipment	345,677	1%
Other expenses	4,739,132	13%
Total Expenses	36,098,640	100%

The audited financial statements for FY 07, which were completed in February 2008, showed a slight surplus in the general fund. The surplus was mainly due to the FEMA award received by the city for the April 2007 storm damage. Without the FEMA award the city would have had a very slight deficit—essentially a break even. The audited numbers indicated that the revenues were under-reported for most of FY 07, resulting in over \$700,000 of uncategorized revenue. This discovery, combined with management budgetary control in the last quarter helped alleviate a potential deficit for FY 07. The FY 07 financial statements are available on the city website.

Collections and Cash Flow:

The city's strong collection efforts have resulted in improved cash flow, reduced reliance on short term borrowing, and strengthened our balance sheet. As of June 30, 2007 (end of FY 07) the amount of delinquent property tax, penalties and interest due was \$992,276. As of June 30, 2008 this amount was \$711,658—a reduction of delinquencies by 28%. While this has been difficult to address in a declining economy, it has been accomplished through tax sales and by working with homeowners and mortgage lenders to find funding solutions. Several long term delinquency situations were rectified through this process.

Collections of water and sewer delinquencies have been achieved through tax sale and/or shut off notices. The Mayor's Office has been sending out notices to the delinquent accounts and monitoring nonpaying accounts for shut off status, in collaboration with the Treasurer's Office. This was helpful due to tax collection duties and our accounting system conversion occurring at fiscal year end. As of 6/30/2008 the outstanding balance of water and sewer accounts over 120 days was \$430,689.

Moving short term debt into long term obligations with Vermont Municipal Bond Bank has also helped the city's financial picture. The city converted the CSO Phase 2A bond anticipation note to a bond last year. In FY 08 the majority of a construction line of credit was converted to an EPA bond for the water roof repair obligation in an amount of \$4.6 million (see Schedule of Debt, attached). It is anticipated that more of the remaining water roof repair line of credit balance will be converted to permanent financing in FY 09 if funding is again available through Vermont Agency of Natural Resources.

As a result of good cash flow management the city has not needed to resort to short term funding at the start of FY 09 to carry city operations, although we have access to a line of credit up to \$2 million. This will save the city a great deal in

interest expense. A listing of all city bank accounts is included in this report with balances as of June 30, 2008, as well as short term bank debt (not bonds) outstanding as of June 30.

Operations:

Several important improvements were made to procedures that provide better fraud risk mitigation. Chief among these was reconciling the cash accounts to the accounting system which was completed in February 2008 (with the completion of the FY 07 audit) and maintained since.

The most significant change in the operation of the Treasurer's Office has been conversion of the accounting system from MUNIS to NEMRC, as of July 1, 2008. This conversion has afforded the city an opportunity to streamline its chart of accounts, clean up legacy accounting system issues, create better financial statements for management and provide an integrated, easy to use platform for collections. Assistant Treasurer James Manning has been an indispensable member of the team with his dedication to ensuring our accounts were structured correctly and the transition of the general ledger was smooth.

The Treasurer's Office has sought to address the findings of the FY 06 and FY 07 audits during FY 08. A long-term project was begun with the help of Castleton State College business department and students to document procedures for the Treasurer's Office which will continue into FY 09. This will help the city establish routine procedures, strengthen internal controls, and prepare for implementation of GASB 34. Attaining GASB 34 compliance will be essential for securing future borrowing and grants, benchmarking, and reducing audit costs in the future. During the summer, Castleton State College interns accomplished a document management program to organize, preserve, and retain essential records of City Treasurer's office in compliance with state standards and discard records that we did not need to retain. This project led to the discovery of several important historical documents that were given to the Rutland Historical Society for safekeeping.

Service to the Public

The City Treasurer has continued to report to the Board of Aldermen on a monthly basis, and posting quarterly YTD budget vs. actual numbers as they become available on the city website: www.rutlandcity.com Our city website also has information on tax and utility bill due dates, as well as tax rates and other helpful information.

FY 09 marks the second year that tax bills went out in the new format including a breakdown of the various components of the assessed tax rate. In both years tax bills went out 30 days or more ahead of the due date. Payment of taxes by direct debit has doubled as taxpayers discover the convenience of this payment method. Direct debit is likely to be extended to water and sewer ratepayers in FY 09. Applications for auto payment of taxes by direct debit can be found in the Treasurer's Office or on the city website.

The accounting software conversion has enabled the City Treasurer's Office to offer a read-only public access terminal for payment records for taxes and utility billing. This is primarily used by legal professionals and title abstractors to document this data with a faster turn around for lenders and property owners.

Pension Board

As Treasurer, I serve as Commissioner of the City Pension and Chair of the Pension Board composed of five members from the Rutland City School Board and five from the Board of Aldermen. In FY 08 the city has secured the services of a new actuarial firm: NPS Retirement Plan Consulting, a Vermont-based firm. A new actuary will be able to assist employees with statements and benefit calculations in early 2009. As of June 30, 2008 the city's pension assets were \$50 million, a drop of \$3 million since June 30, 2007 due to conditions in the financial markets. The pension board will be proceeding with an audit of the pension in FY 09 and seeking to amend the plan document to represent changes made to union contracts that are in current use, that were not previously approved by the pension board. The pension board is urged to consider ways to prevent changes affecting the pension assets without the approval of the pension board, including evidence that the change will be supported by additional revenues considered through sound actuarial analysis.

Looking Ahead to FY 2009

The Treasurer's Office continues to move forward with operational and compliance improvements which are critical to the city's future success. When management and policymakers have access to accurate, timely financial information it drives good decisions and outcomes. It also provides a platform from which good strategic planning can begin to take place so that our collective community goals can be realized.

Challenges lay ahead for the city overall with respect to increasing operational costs, especially in areas of healthcare, liability insurance, energy costs, and debt

service. Therefore, providing timely information to the policymakers and the public is a top priority of the Treasurer.

The Treasurer's Office is responsible for over 70,000 transactions per year including collections, cash management, disbursement, payroll, human resources, pension transactions, accounting and reporting functions and financial guidance for the city departments as a whole. Moreover, the Treasurer's office accomplishes these tasks with only six full time staff members, and part time support staff and seasonal help. The city may need to consider increasing accounting and reporting staff, or outsourcing some tasks, to meet the needs of the city with respect to audit preparation, compliance and reporting as accounting standards continue to change in scope.

Lastly, the work of the last eighteen months has taken extraordinary dedication and hard work on the part of the Treasurer's Office staff. I want to thank James Manning, John Coffin, Penny Stein, Julie Tripodi, Cathy Cioffi, Dawn Curtis, and Margaret Dugan for their constant efforts to improve our operation that is so fundamentally important to the city's success. Chris Baranowski, Cindy Robinson, Meg Grace and Mary Ellen Shaw deserve special thanks as seasonal or part time support and we appreciate the help and support of Castleton State College for special projects.

Report of the City of Rutland

FY 08 Revenue • Draft YTD for year ending June 30, 2008 Funds 10, 20, 21 & 22

List of Unpaid Taxes as of June 30, 2008

The list of unpaid taxes as it appears on the records of the City of Rutland as of June 30, 2008 pursuant to 1 VSA Chapter 5, Subchapter 3. Persons listed are the owner(s) of record as of April 1 the year preceding the tax year as shown. Subsequent to the date are taxes that are delinquent. The City realizes that transfers may have occurred subsequent to April 1 and that taxes became due and delinquent and such listed individual(s) may not be responsible for the amounts indicated. Amounts shown are taxes only, exclusive of interest and penalties.
